Liberties Undoing Of Reds--A. Dulles

From Daily News Wire Services

WASHINGTON, Nov. 15.—Allen W. Dulles, director of

the Central Intelligence agency, suggested yesterday that the liberties "gradually" given by the Soviet dictatorship at home and in the satellites may prove to be the "undoing" of the regime.

Dulles in a speech here said that, on the other hand, a dictator who fails to "recognize and yield to" the basic human urge for freedom will also fall. This fact accounts for the degree of liberalization allowed by the Soviets to date, he said.

Dulles spoke at the annual meeting of the American Association of Land-Grant Colleges and State Universities. The basic theme of his speech was the "weaknesses" of the present Soviet position.

A. Dulles

COLUMBUS—Democratic Gov. Frank J. Lausche said today there was "no change" in his announced plans to complete his term as governor before he goes to Washington to become a senator. The governor scoffed at a report by Drew Pearson, a columnist, that Democratic Senate Leader Lyndon B. Johnson of Texas had urged Lausche to resign as governor to report when the Senate convenes. Lau-

sche announced last week he would serve his term as governor which ends Jan. 14. The Senate convenes Jan. 3.

NEW YORK—Bing Crosby, who was wondering only a couple of weeks ago whether he had lost his touch, hoped today he had another million-copy record going for him. TV Emcee Ed Sullivan is hoping, too—he has \$200 riding on the old groaner. The record is "True Love," a platter Crosby cut with Grace Kelly. The song, currently rocketing up the best-seller charts in the trade papers, is from the film, "High Society," in which Crosby and Miss Kelly starred.

Last Sunday, when Crosby appeared live on the Sullivan CBS-TV show, Sullivan bet Crosby that he had another million record sale in the making.

NEW YORK — Former Gov. Thomas E. Dewey's doctor has ordered him to stay in bed for "at least four days" because of a foot infection, Dewey's office said today. Dewey was unable to keep an engagement to speak at a meeting of the executive board of the New York Heart association last night because of the infection.
